

# Don't let Walmart\* tell us how to run our public schools: A community forum responding to the corporate attacks.

Increasingly, venture capitalists and deep-pocket corporate foundations are moving aggressively to remake our schools in their image.

Join us for a discussion of the Stand for Children ballot initiative, charter schools, and ways to keep corporate influence out and **keep community input – and quality – in our public schools.**

---

**Saturday June 9<sup>th</sup> , 2012**

**10 am - 12 noon**

**Roxbury Community College**

**Academic Building Room 121**

**[www.tagboston.org](http://www.tagboston.org)**
